MANUAL TRAY SEALER

E 193

Practical and space-saving, this manual tray machine seals a hermetic film that fits the tray perfectly. It is equipped with a potentiometer for temperature control.

Maximum tray size: 270 x 190 mm

E 193

Uses

Catering professions

Groceries & supermarkets

Optional: made-to-measure mould to fit to your trays formats.

- ✓ Compact and easy to use, for sealing trays up to a maximum size of 270 x 190 mm.
- ✓ Double handle system for easy and regular sealing.
- ✓ Stainless steel structure for easy cleaning and better resistance to disinfectants (reduces retention zones).

1 year warranty⁽¹⁾

⁽¹⁾Except wear parts

Compatible materials
Bio-sourced or compostable

Compliance with
CE standards
