- Drive triggered by the introduction of the bag
- Adjustable seal position from 0 to 30 mm
- Digital temperature display from 0 to 200°C, safety lock, cycle counter
- Pressure adjustment
- All stainless-steel construction

**Options :**

Roller table : 980 x 300 mm

Item code	Option
AM48112	Tilting Table Stainless Steel Rollers 980 x 300 For A 2000
AM48113	Tilt table PVC rollers for A 2000
AM5602	Tilt Table Smooth A 2000
AM5803	Vertical Support AMIFIRST
AM59401	Frame A 2000 Slope 45° Plans to review, finishing problems

Item code	Option
AM3065	Crush wheel PU D48 A1000
AM6825	Smooth Crush Wheel 16MM FOR A 1607
AM3471	4R Flat Crush wheel
AM6809	Crush Wheel For A 2000
AM5971	Crush wheel L12 AMIS

General Characteristics	A 2000
Max Scroll Speed	8m / min
Welding width (mm)	16 mm
Dimensions (cm)	52 x 24 x 21
Power (W)	600
Power supply	230 V
Weight (kg)	17
